PLEASE ADJUST TIMES FOR YOUR TIMEZONE

Thursday August 14, 2003 12:00- 1:30 p.m. ET

This Public Health Grand Rounds seminar will be available as both an audio conference AND a satellite broadcast. The registration form can be found and printed from <http://www.dhs.ca.gov/ps/cdic/cdcb/pds/cpe>. Please direct questions regarding registration to dmack@dhs.ca.gov.

Goal: The purpose of this presentation is to update participants on the impact of feeding decisions during the first year of life on the incidence of obesity and diabetes later in life. In addition, participants will receive information on implementation of the National Breastfeeding Campaign in California.

Learning Objectives: At the conclusion of this presentation participants will be able to:

1. Describe how breastfeeding rates in California compare with national goals.
2. Critically evaluate studies that examine the relationship between breastfeeding and child obesity.
3. List at least 3 potential explanations for the observed association between breastfeeding and lower risk of child overweight.
4. Describe the effect of breastfeeding on the incidence of diabetes.
5. List the goals and strategies of the National Breastfeeding Campaign.

The California Department of Health Services conducts Public Health Grand Rounds by telephone for state, city and county health department staff throughout California. The purpose of this training program is to provide continuing education on public health issues and to serve as a forum for communication among health professionals. The California Department of Health Services is approved as a provider of continuing education by the California State Board of Registered Nursing, Provider #00584, the California Medical Association in continuing medical education Category I credit, and the State Board of Dental Examiners, provider 1.5-2645. The California Department of Health Services is also approved by the Accreditation Evaluation Service of the California Pharmacists Association, Provider #160 (expires 2/29/04). This seminar is approved for 1.2 contact hours for nurses, 1.0 hour CME, and 1.0 hour

of pharmacy continuing education credit. This program is also approved for 1.0 hour of continuing education credit by the California Association of Public Health Laboratory Directors, Provider #0078. **All health professionals must sign the attendance sheet and complete the evaluation form before a course certificate will be issued.**

This publication was made possible by the Preventive Health Services Block Grant from the Centers for Disease Control and Prevention.
